

All Swan Valley School Division employees who are required to work alone will implement the following procedures

Periodic Contact

Employees who are required to work alone will have regular access to a telephone or one of the Division's two way radios and will have periodic contact with the supervisor or other designated personnel as is reasonable.

Employees who choose or are required to work alone outside of regular office hours shall ensure that a personal designate (co-worker, spouse, friend etc.) knows that they are working. In the event the employee as scheduled does not contact his or her personal contact, the personal contact will attempt to contact the employee. If the employee cannot be reached or located, the personal contact will contact the following in the order listed, until someone is notified:

- The employee's immediate supervisor and /or designate (e.g.: School Principal or Vice Principal)
- The employee's Divisional Supervisor (e.g.: Maintenance Supervisor)
- The local police service
