The Interlake Sexual Exploitation Educators (ISEE) is providing a **FREE** virtual presentation to parents & caregivers.

This session will explore the various ways that children & teens can be exploited virtually. We will learn the dangers of popular social media and how it can put youth at risk for sexual exploitation and affect their mental health. By providing information and strategies, we hope to empower caregivers to help keep kids safe. Awareness is key!

*Attendees have a chance to win a \$50.00 Gift Card!*
